NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

You are cordially invited to attend the 2019 Annual Meeting of Shareholders (the “Annual Meeting”) of Conifer Holdings, Inc., which will be held virtually on Wednesday, May 15, 2019 at 10:00 a.m. (Eastern Time). The virtual Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/CNFR2019, where you will be able to listen to the meeting live, submit questions and vote online. We believe that a virtual shareholder meeting provides greater access to those who may want to attend and therefore have chosen a virtual meeting over an in-person meeting.

We have elected to deliver our proxy materials to our shareholders over the Internet in accordance with the rules and regulations of the Securities and Exchange Commission (the “SEC”). We believe that this delivery process reduces our environmental impact and lowers the costs of printing and distributing our proxy materials without impacting our shareholders’ timely access to this important information. On April 3, 2019, we will send a Notice of Internet Availability of Proxy Materials (the “Notice”) to our shareholders, which contains instructions on how to access our proxy statement for our 2019 Annual Meeting and annual report to shareholders. The Notice also provides instructions on how to vote by telephone or through the Internet and includes instructions on how to receive a paper copy of the proxy materials by mail.

The matters to be acted upon are as follows:

1. The election of Joseph Sarafa and Richard Jamison Williams, Jr. for a three-year term expiring in 2022, or, in each case, until each of the earlier election and qualification of such director’s successor;
2. The ratification of the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm; and
3. Any other business that is properly submitted before the Annual Meeting or any adjournments or postponements thereof.

The Record Date for the Annual Meeting was March 18, 2019. Only shareholders of record at the close of business on that date are entitled to vote at the Annual Meeting. The Notice was mailed only to those shareholders.

This proxy statement and our annual report can be accessed directly at the following Internet address: www.virtualshareholdermeeting.com/CNFR2019. You will be asked to enter the control number located on your Notice.

YOUR VOTE IS IMPORTANT. Whether or not you plan to participate in the virtual Annual Meeting, we urge you to submit your vote via: telephone; Internet; or request, sign and return a proxy card.

By Order of the Board of Directors,
Nicholas Petcoff
Secretary

**PROXY STATEMENT
FOR 2019 ANNUAL MEETING OF SHAREHOLDERS
To Be Held at 10:00 a.m. Eastern Time on Wednesday, May 15, 2019**

INFORMATION ABOUT SOLICITATION AND VOTING

The accompanying proxy is solicited on behalf of the Board of Directors of Conifer Holdings, Inc. (the “Company” or “Conifer”) for use at the Company’s 2019 Annual Meeting of Shareholders (“Annual Meeting”) to be held virtually on May 15, 2019, at 10:00 a.m. (Eastern Time), and any adjournment or postponement thereof. The virtual Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/CNFR2019, where you will be able to listen to the meeting live, submit questions and vote online. The Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about April 3, 2019 to all shareholders entitled to vote at the Annual Meeting.

The information provided in the question and answer format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in the proxy statement are inactive textual references only and do not represent an active link.

QUESTIONS AND ANSWERS

1. What is a proxy?

A proxy is a procedure which enables you, as a shareholder, to authorize someone else to cast your vote for you. The Board of Directors of the Company is soliciting your proxy, and asking you to authorize James Petcoff, Chief Executive Officer and Chairman of the Board, Brian Roney, President and Nicholas Petcoff, Executive Vice President, Director and Secretary of the Company, to cast your vote at the 2019 Annual Meeting. You may, of course, cast your vote via telephone, the Internet, by proxy or abstain from voting, if you so choose. The term proxy is also used to refer to the person who is authorized by you to vote for you.

2. What is a proxy statement and a proxy card?

A proxy statement is the document the United States Securities and Exchange Commission (the “SEC”) requires be provided to you in order to explain the matters on which you are asked to vote. A proxy card is the form by which you may authorize someone else, and in this case, James Petcoff, Brian Roney and Nicholas Petcoff, to cast your vote for you. The proxy statement and proxy card with respect to the Company’s 2019 Annual Meeting were made available on or about April 3, 2019 to all shareholders entitled to vote at the Annual Meeting.

3. Who is entitled to vote?

Only holders of shares of the Company’s common stock at the close of business on March 18, 2019 (the “Record Date”) are entitled to vote on proposals presented at the Annual Meeting. Each shareholder of record has one vote for each share of common stock on each matter presented for a vote.

4. What is householding and how does it affect me?

Some banks, brokers, and other record holders may be participating in the practice of “householding” proxy statements and annual reports. This means that only one notice related to our shareholder meeting and access to our proxy statement and 2018 annual report on Form 10-K may have been sent to multiple shareholders in your household. We will promptly deliver a separate copy of these documents to you if you contact us at the address set forth on the Notice of Annual Meeting of Shareholders on the first page of this statement. If you want to receive separate copies of our proxy statements

and annual reports on Form 10-K in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other record holder.

5. What proposals will I vote on?

Shareholders are asked to vote upon:

1. The election of Joseph Sarafa and Richard Jamison Williams, Jr. for a three-year term expiring in 2022, or, in each case, until each of the earlier election and qualification of such director's successor;
2. The ratification of the appointment of Deloitte & Touche, LLP as the Company's independent registered public accounting firm; and
3. Any other business that is properly submitted before the Annual Meeting or any adjournments of the Annual Meeting.

6. How does the Board of Directors recommend I vote on the proposals?

The Board of Directors recommends a vote FOR each of Proposals 1 and 2.

7. How can I vote?

You can vote by telephone, the Internet or by proxy. To vote by proxy, complete, sign, date and return the proxy card in the included envelope. If you returned your signed proxy card to the Company before the Annual Meeting, the persons named as proxies on the card will vote your shares as you direct. Shares represented by proxies which are marked "ABSTAIN" on Proposal 2 will not be counted in determining whether the requisite vote has been received for such proposal. **IF YOU WISH TO VOTE IN THE MANNER THE BOARD OF DIRECTORS RECOMMENDS, IT IS NOT NECESSARY TO SPECIFY YOUR CHOICE ON THE INTERNET OR THE PROXY CARD. SIMPLY SIGN ONLINE OR SIGN, DATE AND RETURN THE PROXY CARD IN THE INCLUDED ENVELOPE.** You may revoke a proxy at any time before the proxy is voted by:

- (i) Providing written notice of revocation to the Secretary of the Company at the address shown on the Notice of Annual Meeting of Shareholders on the first page of this statement;
- (ii) Submitting another proxy that is properly signed and dated later; or
- (iii) Voting by internet or telephone again (but only if the shares are registered in the Company's records in your name and not in the name of a broker, dealer, bank or other third party).

8. Is my vote confidential?

Yes, your vote is confidential. Only the inspectors of election and certain employees associated with processing proxy cards and counting the votes have access to your proxy card. All comments received will be forwarded to management on an anonymous basis unless you request that your name be disclosed.

9. What is a quorum?

There were 8,356,300 shares of the Company's common stock outstanding on the Record Date. A simple majority of the outstanding shares entitled to be cast, or 4,178,151 shares, present or represented by proxy, constitutes a quorum. A quorum must exist to conduct business at the Annual Meeting. Abstentions and broker non-votes are counted as votes present for purposes of determining whether there is a quorum. A broker non-vote is a proxy a broker submits that does not indicate a vote for the proposal, because the broker does not have discretionary voting authority and the broker did not receive instructions as to how to vote on the proposal.

10. How does voting work?

The two nominees receiving the most votes, whether or not a majority, will be elected as directors. If a quorum is present, the affirmative vote by the holders of a majority of the votes cast on the Internet, by telephone, or by proxy is required to approve Proposal 2. Abstentions and broker non-votes are not votes cast. Therefore, an abstention and a broker non-vote will have no effect on Proposal 2.

The Company will vote properly executed proxies it receives prior to the Annual Meeting in the way you direct. If you do not specify instructions, the shares represented by proxies will be voted FOR the nominees for director and FOR the approval of Proposal 2. No other proposals are currently scheduled to be presented at the meeting.

11. Who pays for the costs of the Annual Meeting?

The Company pays the cost of preparing and printing the proxy materials. The Company will solicit proxies by electronic mail, but also may solicit proxies personally and by telephone, facsimile or other means. Officers and regular employees of the Company and its subsidiaries also may solicit proxies, but will receive no additional compensation for doing so, nor will their efforts result in more than a minimal cost to the Company. The Company also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation material to beneficial owners of the Company's common stock.

12. What other information is available about Conifer Holdings, Inc.?

The Company maintains a corporate website, www.cnfrh.com, where the Company makes available, free of charge, copies of its Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and any amendments to those reports, as soon as reasonably practicable after they are filed. In addition, the Company maintains the charters of its Nominating and Corporate Governance Committee, the Compensation Committee, and the Audit Committee of the Board of Directors on its website, as well as the Company's Code of Ethics Applicable to Senior Financial Executives, and Code of Business Conduct and Ethics Policy. The names of shareholders of record entitled to vote at the Annual Meeting will be available to shareholders upon request for any purpose reasonably relevant to the meeting. Printed copies of the above are available, free of charge, to any shareholder who requests this information.

13. When are shareholder proposals for the 2020 Annual Meeting due?

All shareholder proposals to be considered for inclusion in next year's proxy statement under SEC Rule 14a-8 or otherwise must be submitted in writing to the Secretary of the Company at the address shown on the Notice of Annual Meeting of Shareholders on the first page of this booklet by December 5, 2019.

The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Staggered Board

Our articles of incorporation and restated bylaws provide for a classified board of directors consisting of three classes of directors, each serving staggered three-year terms. Our directors are divided among the three classes as follows:

- Class I directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2019, consist of Messrs Sarafa and Williams;
- Class II directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2020, consist of Nicholas Petcoff and Ms. O'Hanlon; and
- Class III directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2021, consist of Messrs Hakala and James Petcoff and Morales.

Directors in a particular class will be elected for three-year terms at the Annual Meeting of Shareholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our shareholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal.

Our articles of incorporation and restated bylaws provide that our Board of Directors or our shareholders may fill vacant directorships. Any additional directorships resulting from an increase in the authorized number of directors would be distributed

among the three classes so that, as nearly as possible, each class would consist of an equal number of the authorized number of directors.

Director Independence

Our Board of Directors determines the independence of our directors by applying the applicable rules, regulations and listing standards of the Nasdaq Global Select Market (“Nasdaq”) and applicable rules and regulations promulgated by the SEC. The applicable rules, regulations and listing standards of Nasdaq provide that a director is independent only if the Board of Directors affirmatively determines that the director does not have a relationship with the Company which, in the opinion of the Board of Directors, would interfere with the exercise of his independent judgment in carrying out the responsibilities of a director. They also specify various relationships that preclude a determination of director independence. Such relationships may include employment, commercial, accounting, family and other business, professional and personal relationships.

Applying these standards, our Board of Directors annually reviews the independence of our directors, taking into account all relevant facts and circumstances. In its most recent review, our Board of Directors considered, among other things, the relationships that each non-employee director has with our Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

As a result of this review, our Board of Directors determined that Messrs Hakala, Morales, Williams, Sarafa, and Ms. O'Hanlon representing five of our seven directors, are “independent directors” as defined under the applicable rules, regulations and listing standards of Nasdaq and applicable rules and regulations promulgated by the SEC. All members of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee must be independent directors under the applicable rules, regulations and listing standards of Nasdaq. Members of the Audit Committee also must satisfy a separate SEC independence requirement, which provides that (i) they may not accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than their directors’ compensation, and (ii) they may not be an affiliated person of the Company. Members of the Compensation Committee also must satisfy a separate SEC independence requirement and a related Nasdaq listing.

Board Leadership Structure

Our Corporate Governance Guidelines provide that our Board of Directors may choose its chairperson in any way that it considers to be in the best interests of our Company. Our Nominating and Corporate Governance Committee periodically considers the leadership structure of our Board of Directors, including the separation of the chairperson and chief executive officer roles and makes such recommendations to our Board of Directors with respect thereto as our Nominating and Corporate Governance Committee deems appropriate.

Currently, our Board of Directors believes that it is in the best interest of our Company and our shareholders for our Chief Executive Officer, James Petcoff, to serve as both Chief Executive Officer and Chairman given his knowledge of our Company and industry and his strategic vision. Our Board of Directors believes that its majority of independent members and active oversight of management is maintained effectively through this leadership structure, the composition of our Board of Directors and sound corporate governance policies and practices.

Board's Role in Risk Oversight

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the Company faces, while our Board of Directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our Board of Directors believes that open communication between management and our Board of Directors is essential for effective risk management and oversight. Our Board of Directors meets with members of the senior management team at quarterly meetings of our Board of Directors, where, among other topics, they discuss risks facing the Company, as well at such other times as they deemed appropriate.

While our Board of Directors is ultimately responsible for risk oversight, our board committees assist our Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Our Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, legal and regulatory compliance, and discusses with management and the independent auditor guidelines and policies with respect to risk assessment and risk management. Our Audit Committee reviews our major

financial risk exposures and the steps management has taken to monitor and control these exposures. Our Audit Committee also monitors certain key risks on a regular basis throughout the fiscal year, such as risk associated with internal control over financial reporting and liquidity risk. Our Nominating and Corporate Governance Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. Our Compensation Committee assesses risks created by the incentives inherent in our compensation policies. Finally, our full Board of Directors reviews strategic and operational risk and the Company's Enterprise Risk Management initiatives in the context of reports from the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

Board Meetings and Committees

During our fiscal year ended December 31, 2018, our Board of Directors held seven meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he/she has been a director and (ii) the total number of meetings held by all committees of our Board of Directors on which he/she served during the periods that he/she served.

Although we do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of shareholders, we encourage, but do not require, our directors to attend. All board members were in attendance at the 2018 Annual Meeting.

Our Board of Directors has established three standing committees to assist it in fulfilling its responsibilities in compliance with SEC and Nasdaq rules and regulations. These committees include the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. Each committee operates under a separate charter adopted by our Board of Directors. Committee charters are available under the "Governance" tab on the Company's website at www.cnfrh.com. The members of the committees are appointed by the Board of Directors annually and serve until their resignation or until otherwise determined by the Board. Details and the function of each committee are described below.

Audit Committee

The Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities relating to:

- the integrity of our financial statements and our financial reporting process;
- internal and external auditing and the independent registered public accounting firm's qualifications and independence;
- the performance of an internal audit function and our independent registered public accounting firm;
- the integrity of our systems of internal accounting and financial controls; and
- our compliance with legal and regulatory requirements.

In so doing, the Audit Committee is responsible for maintaining free and open communication between the committee, the independent registered public accounting firm and our management. In this role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of our Company and has the power to retain outside counsel or other experts for this purpose. The Audit Committee has direct responsibility for the appointment, compensation, retention and oversight of our independent registered public accounting firm. The Audit Committee meets in executive session with both the internal auditor and the independent registered public accounting firm periodically. The Audit Committee in conjunction with the Head of Internal Audit and Corporate Counsel, oversees the administration of the Company's whistleblower hotline to include oversight over the investigative process initiated as the result of any report that is received by the Company. The Audit Committee is responsible for approving all transactions with related persons. The Audit Committee periodically reviews and approves or ratifies a summary of transactions with related persons as prepared by management. To the extent any new transactions may arise during the course of the year, management discusses such transactions with the Audit Committee.

Currently, the Audit Committee members are Isolde O'Hanlon (Chairperson), Joseph Sarafa, and Jorge Morales. Our Board of Directors has determined that each member of the Audit Committee meets the requirements for independence under the applicable rules, regulations and listing standards of Nasdaq and applicable rules and regulations promulgated by the SEC. The Audit Committee met eight times in 2018. The Audit Committee Report is set forth later in this proxy statement.

Compensation Committee

The Compensation Committee assists our Board of Directors with reviewing the performance of our management in achieving corporate goals and objectives and assuring that our executives are compensated effectively in a manner consistent with our strategy, competitive practice and the requirements of applicable regulatory bodies. Toward that end, the

Compensation Committee, among other responsibilities, makes recommendations to our Board of Directors regarding director and executive officer compensation, equity-based compensation plans and executive benefit plans. The Compensation Committee also administers the Company's incentive plans.

The Compensation Committee met four times in 2018. All members of the Compensation Committee satisfy the independence requirements established by the Nasdaq. The Compensation Committee members are Jeffrey Hakala (Chairperson), Jorge Morales, and Joseph Sarafa.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, among other things:

- identifies, evaluates and recommends nominees, including shareholder nominees, to our Board of Directors and committees of our Board of Directors;
- conducts searches for appropriate directors;
- evaluates the performance of our Board of Directors and of individual directors;
- considers and makes recommendations to our Board of Directors regarding the composition of our Board of Directors and its committees and related compensation;
- reviews developments in corporate governance practices;
- evaluates the adequacy of our corporate governance practices and reporting; and
- makes recommendations to our Board of Directors concerning corporate governance matters.

The members of the Nominating and Corporate Governance Committee are Joseph Sarafa (Chairperson), Jorge Morales, and Jeffrey Hakala. The Nominating and Corporate Governance Committee met four times in 2018. The Nominating and Corporate Governance Committee recommended to the Board, and the Board approved the nomination of Joseph Sarafa and Richard Jamison Williams, Jr as directors with terms expiring in 2022.

Code of Business Conduct and Ethics

We have a Code of Conduct and Ethics applicable to our directors, officers and employees that complies with the requirements of applicable rules and regulations of the SEC and Nasdaq. This code is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by us;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting to an appropriate person or persons identified in the Code of Business Conduct and Ethics of violations of the Code of Business Conduct and Ethics;
- accountability for adherence to the Code of Business Conduct and Ethics; and
- compliance with our Whistleblower Policy.

Our Code of Business Conduct and Ethics is available on the governance portion of our website at www.cnfrh.com.

Shareholder Communications with Directors

Any shareholder may communicate directly with the Board of Directors, or with any one or more individual members of the Board. A shareholder wishing to do so should address the communication to "Board of Directors" or to one or more individual members of the Board and submit the communication to the Company at the address of the Company noted on the first page of this Notice of Meeting and Proxy Statement. All such communications received by the Company and addressed to the Board of Directors will be forwarded to the Chairman of the Board, or to the individual member or members of the Board, if addressed to them.

All of these communications will be reviewed by our Secretary to filter out communications that are not appropriate, specifically, spam or communications offering to buy or sell products or services. The Secretary will forward all remaining communications to the appropriate directors.

Nomination to the Board of Directors

Candidates for nomination to our Board of Directors are selected by our Board of Directors based on the recommendation of the Nominating and Corporate Governance Committee in accordance with the committee's charter, our bylaws, our Corporate Governance Guidelines, and the criteria adopted by our Board of Directors regarding director candidate qualifications. In recommending candidates for nomination, the Nominating and Corporate Governance Committee considers candidates recommended by directors, officers, employees, shareholders and others, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate and, in addition, the Committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

Additional information regarding the process for properly submitting shareholder nominations for candidates for membership on our Board of Directors is set forth below under "Shareholder Proposals to Be Presented at Next Annual Meeting."

Director Qualifications

With the goal of developing a diverse, experienced and highly qualified board of directors, the Nominating and Corporate Governance Committee is responsible for developing and recommending to our Board of Directors the desired qualifications, expertise and characteristics of members of our Board of Directors, including qualifications that the Committee believes must be met by a committee-recommended nominee for membership on our Board of Directors and specific qualities or skills that the Committee believes are necessary for one or more of the members of our Board of Directors to possess.

Since the identification, evaluation and selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, and will be significantly influenced by the particular needs of our Board of Directors from time to time, our Board of Directors has not adopted a specific set of minimum qualifications, qualities or skills that are necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and Nasdaq listing requirements and the provisions of our bylaws, Corporate Governance Guidelines, and charters of the board committees. In addition, neither our Board of Directors nor our Nominating and Corporate Governance Committee has a formal policy with regard to the consideration of diversity in identifying nominees. When considering nominees, our Nominating and Corporate Governance Committee may take into consideration many factors including, among other things, a candidate's independence, integrity, skills, financial and other expertise, breadth of experience, and knowledge about our business or industry and ability to devote adequate time and effort to responsibilities of our Board of Directors in the context of its existing composition. Through the nomination process, the Nominating and Corporate Governance Committee seeks to promote board membership that reflects a diversity of business experience, expertise, viewpoints, personal backgrounds and other characteristics that are expected to contribute to our Board of Directors' overall effectiveness. The brief biographical description of each director set forth in "Information about the Nominees and the Incumbent Directors" includes the primary individual experience, qualifications, attributes and skills of each of our directors that led to the conclusion that each director should serve as a member of our Board of Directors at this time.

PROPOSAL NO. 1
THE ELECTION OF TWO DIRECTORS

The Company's Board of Directors is divided into three classes with each class of directors elected to a staggered three-year term of office. At each annual meeting of shareholders, the shareholders elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting. Each director's term continues until the election and qualification of his successor, or such director's earlier death, resignation, or removal.

This year you are voting on two candidates for director. The Company's Board of Directors, acting upon the recommendation of its Nominating and Corporate Governance Committee, has nominated Joseph Sarafa and Richard Jamison Williams, Jr. as directors with terms expiring in 2022. Each nominee has consented to his nomination and has agreed to serve as a director, if elected.

If any nominee is unable to stand for election, the Company may vote the shares to elect a substitute nominee, who is nominated by the Board, or the number of directors to be elected at the Annual Meeting may be reduced.

Vote Required

The two nominees receiving the largest number of votes, whether or not a majority, will be elected for a three-year term ending at the Annual Meeting of Shareholders in 2022.

The Company's Board recommends a vote FOR each of the nominees.

PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed Deloitte & Touche LLP (“Deloitte”), an independent registered public accounting firm, to audit our consolidated financial statements for our fiscal year ending December 31, 2019. During our fiscal year ended December 31, 2018, Deloitte served as our independent registered public accounting firm.

Notwithstanding the appointment of Deloitte and even if our shareholders ratify the appointment, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during our fiscal year if our Audit Committee believes that such a change would be in the best interests of our Company and our shareholders. At the Annual Meeting, our shareholders are being asked to ratify the appointment of Deloitte as our independent registered public accounting firm for our fiscal year ending December 31, 2019. Our Audit Committee is submitting the appointment of Deloitte to our shareholders because we value our shareholders’ views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of Deloitte will be present at the Annual Meeting, and will be available to respond to appropriate questions from our shareholders.

If our shareholders do not ratify the appointment of Deloitte, our Board of Directors may reconsider the appointment.

Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our Audit Committee has established a policy governing our use of the services of our independent registered public accounting firm. Under this policy, our Audit Committee is required to pre-approve all audit and non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair the public accountants’ independence. All services provided by Deloitte for our fiscal years ended December 31, 2018, 2017 and 2016 were pre-approved by our Audit Committee.

Vote Required

The ratification of the appointment of Deloitte as our independent registered public accounting firm requires the affirmative vote of a majority vote of the shares of our common stock actually voting by Internet, by proxy or by telephone and entitled to vote thereon. Narrative Disclosure to Summary Compensation Table

Base Salary

Our Compensation Committee determines the base salaries for each of our named executive officers, as referenced above. Generally, we aim to set executive base salaries near the middle range of the salaries that we have observed for executives in similar positions with similar responsibilities. We pay our named executive officers an annual base salary in cash. Base salaries are reviewed annually by the Compensation Committee and, when appropriate, make recommendations to the Board for approval of the compensation of our named executive officers.

Bonus

Our Compensation Committee historically has not utilized a strict formula in its determination of the annual bonus paid to each of our named executive officers. Rather, the Compensation Committee, with input from our Chief Executive Officer, has taken into account individual performance, Company performance, and market conditions in its determination of the annual bonus paid to each of our named executive officers. Beginning in 2017, the Compensation Committee evaluates executive bonuses primarily in accordance with a formula taking into account the Company's annual return on equity. Under the plan, executives may be eligible to be paid a bonus equal to a percentage of their base salary, with the applicable percentage increasing as the Company's annual return on equity (defined as pre-tax, pre-bonus net income, as a percentage of the Company's total shareholders' equity as of the beginning of the year) increases. For Mr. James Petcoff, the applicable percentage would be 30% of base salary at a 3% annual return on equity and would increase to a maximum of 200% of base salary at an annual return on equity in excess of 17%. For Mr. Roney and Mr. Nicholas Petcoff, the applicable percentage would be 20% of base salary at a 3% annual return on equity and would increase to a maximum of 125% of base salary at an annual return on equity in excess of 17%. In addition, the Compensation Committee may take into account individual performance, Company performance, and market conditions in its determination of annual bonuses to be paid to named executive officers if the Company's annual return on equity for any annual period is less than 3%.

Stock Awards

In March 2015, the Company established the Conifer Holdings, Inc. 2015 Omnibus Incentive Plan ("2015 Plan"), which permits the granting of stock options, stock appreciation rights, restricted stock units ("RSU") and other stock-based awards.

The 2015 Plan authorizes up to 1,377,000 shares of common stock for awards to be issued to employees, directors or consultants of the Company. The Company issued 111,281 and 390,352 RSUs to executive officers and other employees in 2016 and 2015, respectively, to be settled in shares of common stock. The RSU awards vest in five annual installments, commencing on the first anniversary from the date of grant.

Pursuant to the 2015 Plan, the restriction period, the number of shares granted, the purchase price paid for such shares, and other conditions and limitations applicable to each RSU award are determined by the Compensation Committee and stated in the award agreement. Prior to the end of the restriction period, the RSUs may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated. During the restriction period, participants holding RSUs are entitled to receive all dividends and other distributions paid with respect to such shares, unless otherwise provided in the award agreement.

Equity Awards Granted to our Named Executive Officers

On the date of our offering in 2015, our named executive officers received restricted share units equal in value to \$2.0 million. Our named executive officers were part of an additional award granted in 2016 equal in value to \$0.4 million. There were no additional awards granted in 2018 and 2017. The table below sets forth the number of restricted share units that each of our named executive officers received in 2018, 2017, 2016 and 2015.

If any of the executives’ employment is terminated due to death or permanent disability, the executive (or his legal representative or beneficiary) will receive the accrued and unpaid portion of base salary and any earned but not yet paid incentive awards for already completed years or award cycles.
